

Geography Map Labels

Print these on paper or card stock in the color indicated. Use the dotted lines as a guide when cutting out the labels.

Printing these on the paper colors suggested makes sorting them into their proper containers much easier. The colors suggested are based on the color coding of the Montessori Puzzle Maps.

These labels are intentionally small so that they can fit on the Montessori puzzle maps and/or be glued onto the paper maps the child creates.

Continents (print on white paper)

Continents: Land & Water (print on gray paper)

Atlantic Ocean	Pacific Ocean	Indian Ocean	Cape of Good Hope	Rocky Mountains
